

## Template Manual

Thank you for buying one of our Templates.

Please read this installation manual and the following license informations carefully!

### Unpack your downloadet ZIP Archive

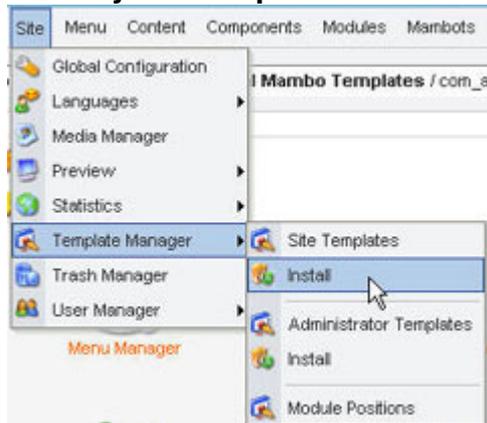

After downloading your main ZIP file (xxtemplatename.zip), you have to unpack it on your local harddrive. To do so, you need a programm like WinRAR or WinZIP. You can get it

here:<http://www.rarlab.com/download.htm>

Your downloadet ZIP file contains your Template and additional files, like used Photoshop graphics, font files or used images. The Template is antoher ZIP file inside the main ZIP file.

### Install your Template

To use the automatic install function of Mambo CMS, you have to log in into your admin backend and choose -> "Site" -> "Template Manager" -> "Install" in the top menu.

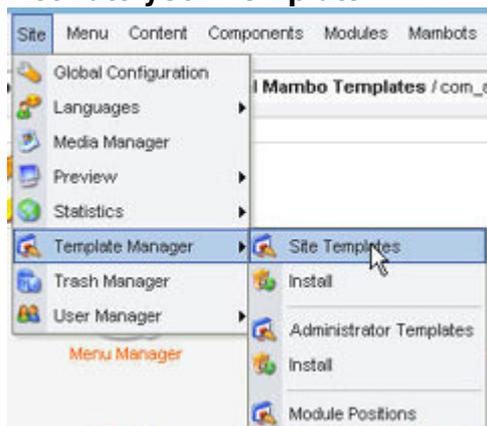

Press the "Search" button to locate the Template ZIP (not the main ZIP file!) file

on your harddrive. After choosing your Template, press the "Upload File & Install" button.

Your Template will be uploadet and installed to your Mambo webspace immedialtely. Confirm the installation by pressing the "OK" button.

### Activate your Template

To activate your new Template, choose "Site" -> "Template Manager" -> "Site Templates" in the top menu. After that you will see a list of all installed Templates. Check the radiobutton in front of your new Template and press the "Default" button located in the upper right corner. Now your new Template is activated.
